

The Auburn Sustenance Project provides breakfast, lunch, and snack to qualifying Auburn elementary students during school breaks.

For many students at Auburn elementary schools, the free/reduced breakfast and lunch programs help reduce food insecurity. But what about when school is not in session? Without school-provided meals, these students can miss critical nutrition during key developmental years.

You can help us help these students!

Days per year the project provides food for students

Meals provided (and counting!)

ACS students served

What's in the bag?

Each student receives the following per day of the break: 1 breakfast item, 1 main lunch item, 3-4 snack items

*Auburn Sustenance Project is a student-led organization within the Auburn University Department of Human Development and Family Science.
Faculty Advisor: Dr. Caroline Purvis | cmp0108@auburn.edu*

How can you help?

Feed a child for shorter breaks

\$15 feeds 1 student for Thanksgiving and Spring Break.

How many students will you feed for shorter breaks? _____ x \$15 = \$ _____

(Total contribution)

Feed a child for winter break

\$25 feeds 1 student for winter break.

How many students will you feed for winter break? _____ x \$25 = \$ _____

(Total contribution)

Feed a child for 1 month this summer

\$40 feeds 1 student per month this summer.

How many students will you feed for a month? _____ x \$40 = \$ _____

(Total contribution)

Feed a child all summer

\$140 feeds 1 student for all of summer break.

How many students will you feed all summer? _____ x \$140 = \$ _____

(Total contribution)
